Bring the beauty of the coast indoors with the refreshing charm of this multipurpose console. Created with an impressionistic Tranquil finish in shades of shimmering greyish-blues and soft aquas that mirror the beauty of the sea, its artful appearance creates an instant focal point. A contrasting top and base in Coastal Silver Leaf adds visual dimension. Custom-designed, asymmetrical metallic palm frond door pulls create a memorable accent. Inside the fully finished interior wears a Soft Taupe. Behind the right pair of doors you'll find wine storage while the left side interior offers a drawer and open storage.
