LAST PIECE OF THE PUZZLE (L)

m011-016-417

COLLECTION: MODERN UPTOWN

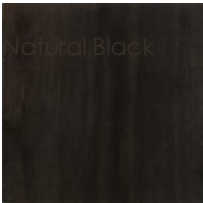

DIMENSIONS: 14W x 14D x 25H

This modern pedestal takes its cues from retro nesting cubes. Square with cutout corners, its Natural Black top is offset by burl sides finished in Heathered Oak. The recessed corners are detailed in brilliant Whisper of Gold metal with small rivets. This piece stands stately by itself, or plays well with shorter similar pedestals.
