## LOFT DRESSER

m013-016-012

**COLLECTION:** MODERN UPTOWN

**DIMENSIONS:** 64W x 19D x 32.75H

If a dresser could be as tailor-made as a fine suit, this piece would define handsome styling. The smooth Primavera wood has a high sheen Smoked Peppercorn finish. Six generously sized, flat-panel, soft-closing drawers are inset into the piece and offset by contemporary chamfered corners for modern appeal. Each of the drawers has custom-designed metal pulls that are completed with fine leather. The whole silhouette sits off the ground on a recessed base finished in metallic Jazzy Taupe.
