Mirror, mirror, how can a floor mirror this be this lovely? With elegant proportions and refined detailing, it's just the thing to add that touch of glamour that transforms a bedroom into a dreamy retreat. Clear vertical mirrors are bordered by a narrow mirrored frame while a sparkling Golden Shimmer finish adds an element of contrast to its metal base and back panel. An innovative design lets the two side panels hinge to create wings. Adding this beauty queen will make you smile every time you walk into the room.
