DINING ARM CHAIR

b092-158

COLLECTION: EVERLY

DIMENSIONS: 24.25W x 25D x 41.5H

Styled in a rich Bronzed Ebony finish that lets the grain shine through, The Everly Dining Arm Chair will be the hallmark of an elegant dining experience. Its exposed wood frame curves to a dramatic fabric-wrapped scroll at the top of the chair. Warm Silver paint scrolls outline the arms and swirl down the updated conical legs that end in rich-looking ferrules. The front is softly sculpted in deep, button-detailed tufts. The upholstered back is demarcated by two deep channels for a crisp finish. The back, arms and seat feature a richly textured neutral woven fabric that is at once dressy and casual, depending on the dining environment you wish to create.
