The Everly Poster Bed is tall, dark and handsome with its thin, conically shaped posts that rise dramatically out of a rich Bronzed Ebony-finished baseboard that is lusciously embedded with creamy ruched silk. An air of striking opulence is created by the deeply tufted headboard, outlined in nickel-brushed nails. The headboard's dark wood frame curves its way to a plush scrolled detail at the top. Surrounding the four poles are scrolls of Warm Silver interlacing rings. Complete with intricately carved trim along the baseboards, The Everly Poster Bed leaves nothing to be desired.
