NIGHTSTAND

c013-016-062

COLLECTION: ADELA

DIMENSIONS: 30.75W x 19.75D x 29H

A perfectly antiqued mirror is the shining star of the front of The Adela Nightstand. This glimmering rectangular piece is enrobed in metallic Blush Taupe. The custom, inset astroid-carved handles open the cabinet to reveal a drawer and one adjustable shelf. On either side of a bed, these nightstands are a glamorous way to dress up a space while hiding bedtime essentials.
