The majesty of The Adela Sleigh Bed cannot be overlooked. This bed is fully upholstered in creamy velvet that sweeps from the high, curvaceous headboard, down along the rails, and around the low footboard. The collection's lyrical astroid motif is on full display in the headboard's light tufting. Beautiful double-nail details trim the bed's edges. The bed's frame offers a low profile as a result of slim, contemporary feet, making it a highly comfortable piece for generously proportioned bedrooms.
