DRESSER

c053-017-011

COLLECTION: LAFAYETTE

DIMENSIONS: 68.5W x 20D x 39.75H

Undulating across the front of this double dresser are soft butterfly curves that make this piece unique. Quarter-figured maple, with walnut inlays, is finished to a high sheen in Warm UMBER. Six soft-closing drawers in varying depths allow for storage of a range of garments. Each drawer has been highlighted in Champagne and fitted with custom fleurette hardware for a dazzling finish. Standing on narrow sabre legs, the height of this piece allows it to fit perfectly in a bedroom but also transition beautifully as extra storage in an office or foyer.
