C 102-422-04

## COLLECTION: OXFORD

DIMENSIONS: $41 \mathrm{~W} \times 1.5 \mathrm{D} \times 32 \mathrm{H}$
Picking up a pattern from other pieces in the Oxford collection, this statement-making accent is composed of three beveled mirror sections, framed by overlapping oval rings. Its intertwined design is believed to symbolize eternity, love, and strength, for a look of resilience and enduring luxury. The perfect complement to our Oxford Sideboard.
