COLLECTION: VALENTINA

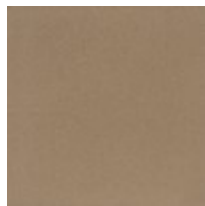

DIMENSIONS: 85W x 20D x 27H

With its elongated oval shape, the Valentina console makes an elegant statement in a shimmering mix of materials and finishes. Like a pair of French cufflinks, rounded panels form an inclusive gallery on each end, accentuated by molding and a top silkscreened pattern in Golden Shimmer paint. Mirror-like door fronts warmly reflect the room, while neatly concealing flexible storage with adjustable shelves and cutouts for cord management.
