VALENTINA DINING TABLE

c112-422-201

COLLECTION: VALENTINA

DIMENSIONS: 92W x 46D x 30H

Valentina's shimmering mix of detail and material lightens the room and the mood. Its expansive tabletop is crafted in silver sandalwood veneers, accentuated by a White Truffle finish and an arching silkscreened pattern in Golden Shimmer paint. A Matte Pearl molding draws the eye to its uniquely designed apron, wrapped in a subtly textured basketweave fabric, and tall v-groove legs with a carved flourish, also in a Golden Shimmer finish.
