Your eye is immediately drawn to the modernized "fleur de lis" design that shimmers in Soft Radiance at the center of this elegant buffet. This piece exudes contemporary French appeal with its streamlined profile that is softened by concave doors at each end. The Pure Ivory frame is accented with Birdseye Maple panels that have been washed in shimmering Sheer Ecru. Behind the center doors is a drawer for flatware and one adjustable shelf. Behind the two gently concaved side doors are two adjustable shelves for serving pieces. All eyes are sure to be on this piece.
