COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 45W x 14.25D x 35H

Even in traditional environments, nontraditional shapes can have a stunning effect. This chest has indented semi-circular sides that lend a geometric note to a room. The carved top and sides are finished in a shimmering Taupe Paint that is offset by two Koto wood doors in Champagne Shimmer. Open the doors with custom, brilliant Whisper of Gold round metal ring-pulls to discover two shelves and one tray drawer. Fully finished around the back so the piece can stand on its own, custom trapezoidal Whisper of Gold metal ferrules complete the piece. This silhouette becomes even more spectacular when paired with the Cut It Out! bookcase for an elegant, long display piece.
