Unusual woods and luxurious, shimmering fabrics converge in this bed that tells a good “Bedtime Story.” Demarcated by its tall, wide-channel upholstered headboard in a crème tightly woven fabric, the headboard’s frame is completed in an Afterglow finish for added finesse. The streamlined footboard and side rails, topped in Afterglow, show off the dramatic grain and ray flecks of Toasted Sycamore – a wood known for its uncommon beauty that is sometimes called “Lacewood.” This bed’s height can be adjusted with the bedding support system.
