cla-018-421

COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 12 dia x 24H

At once powerful and calming, the sea offers endless inspiration for home décor—as illustrated in this exceptional accent table. Reflecting the ocean's magnificent color palette, its top features an abalone

shell surface under beveled glass. A soft Golden Blonde Leaf finish highlights it circular shape, round metal base and curved legs. While petite in silhouette, the impact of this distinctive piece is impressively large.
