BREAK THE ICE

cla-019-2012

COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 60 dia x 30H

Meet our new crush: Break the Ice. This amazing dining table defines unborring. Its open triangular base features three rectangular pillars crafted of crushed crystals encased in clear acrylic. A Brushed Sundance Gold finish outlines the pedestal and each pillar to create a jewel-like presentation that catches the light and offers continuous sparkle and shine. A 60-inch round glass top with 3/4-inch bevel ensures the glamour of this distinctive design can be seen from everywhere in the room.
