Captivating details define this beautiful bedside table. Drawer fronts in a silver-dyed Madrona burl draw the eye with cloud-like swirls, warmly complemented by soft gold tones and striped beading in a Platinum finish. Elevating its elegant design: a frosted glass top shelf and metal gallery in a Whisper of Gold—ideal for a reading lamp or extra surface for keeping books and bedside essentials. Metal ferrules and ornate drawer pulls with a ceramic inset lend a distinct finishing touch.
