An elevated take on found beauty in the natural world, this nightstand introduces an organic element with a touch of luxe. Drawer fronts crafted in our exclusive, bleached white printed spalted maple add depth and dimension with dark veining patterns over a light ground reminiscent of fallen snow. Dimpled bar drawer pulls and a Majestic Gold base are a glamorous complement to its Pearly White finish, which pairs well with other pieces in our bedroom storage collection. Top drawer features dividers and a removable sliding jewelry tray, with a glass shelf beneath for open storage and display.
