COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 6 dia x 24H

A nod to the streamlined style of a mid century candlestick, this spot table is well-scaled for reading nooks and larger spaces designed for entertaining. It features a white stone top inset like a precious gem into its slender metal frame, balanced by a sturdy base in a Whisper of Gold. Pair with our Alpha and Beta accent tables to create composition, or style solo for ease of use and convenience.
