Every bedtime story starts with a big, dreamy bed—and this is the kind that inspires such fairy tales. Featuring a sumptuously quilted upholstered headboard and footboard, its exceptional design is dramatic in every way. The tall, softly rounded headboard is trimmed in wood and finished with a Golden Shimmer painted finish while the bottom of the footboard mirrors this curve and is supported by a metal frame also wearing Golden Shimmer. As glamorous as the Hollywood Regency era itself, this elegant bed brings dimensional style and plush comfort to the bedroom.
