If you ask the Sandman to bring you a dream, this remarkable bed is sure to appear. Boasting an updated classic design, it features wings that wrap around like an armchair. Completely upholstered in sumptuously soft cream velvet, its richly tufted diamond-pattern headboard is inspired by the timeless design of a tufted English arm sofa. At the headboard, wooden legs finished in Golden Shimmer add a touch of sparkle while clear acrylic legs capped with metal ferrules highlight the footboard. Exquisite from every angle, this brilliant bed is tailored to perfection.
