Bold and memorable, this stunning rectangular dining table captures the majestic splendor of the ocean. Like sculptures in cast metal, its two exquisitely crafted bases channel the beauty of a coral reef and the world beneath the surface of the water. Magnificent from every viewpoint, the distinctive design of this bold piece is highlighted with a Neutral Metallic finish that combines the beauty of silver and gold tones and blends seamlessly with both as well. A thick tempered-glass top makes it easy to see the beauty of this one-of-a-kind table while creating a dramatic dining space large enough to seat all your family and friends.
