IN A TIZZY

cla-420-422

COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 14.5 dia x 24H

No need to get in a tizzy over finding the perfect accent table when this beauty exists. Perfectly proportioned for a beverage or remote, it packs plenty of personality in its petite silhouette. A clear acrylic top makes it feel light and effervescent while three legs finished in a Neutral Metallic finish give it an element of glam.
