With inherent organic character, this dresser introduces a softly textured, metallic element to bedroom interiors. The natural beauty of woven raffia is reimagined in Sun-kissed Silver, complemented by ash veneers in a Pearly White finish. Acrylic drawer pulls capped with ribbed stainless steel and square knobs inscribed with a ginkgo leaf pattern lend a distinct finishing touch. Generous storage offers four spacious drawers and shelves behind each of the two end doors for aesthetically pleasing organization. Cutouts along the back allow for cord management and functional versatility.
