METROPOLIS

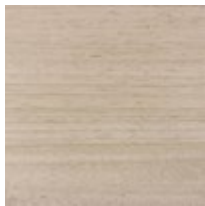

cla-422-404

COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 50 dia x 17H

Much like the cultural center of ancient cities, the Metropolis cocktail table grounds the room and invites guests to gather. With details inspired by classical architecture and the Metropolis in Rome, it features a white Rhino marble top and Koto veneer-wrapped arches in a pearlescent Moonstone finish. Soft Silver paint further accentuates its colonnade style base.
