COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 26.25 dia x 25.75H

This circular end table takes inspiration from a neoclassical architectural feature that allows for the movement of light into a room. Elements of distinction: a white Rhino Marble top, with an elegant wood frame with three legs crafted in chevron-patterned Koto veneers and capped in a Whisper of Gold. The inside of the legs are finished in Soft Silver paint for a hint of reflectivity
