COLLECTION: CARACOLE CLASSIC

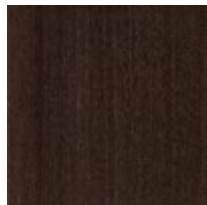

DIMENSIONS: 60 dia x 30H

Inspired by ancient Greek architecture and the Doric order of columns, this classic dining table is defined by its prominent, pedestal-style base. Crafted in a mix of poplar and dyed tupelo wood veneers, Dorian features an Ivory-painted column with an overscaled fluting detail in a warm Otter finish. Also finished in Ivory, its simple yet sizable top offers plenty of space for guests to comfortably gather.
