COLLECTION: CARACOLE CLASSIC

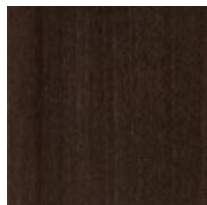

DIMENSIONS: 78.5W x 19.75D x 34H

With varying perspectives, this eye-catching sideboard is inspired by the infamous illusion known as Rubin's Vase. Door fronts feature an abstracted pattern created by a mix of dyed tupelo and eucalyptus veneers, complemented by a gray sintered stone top for durability and a luxe touch. For further reflection: a top wood bead and metal base in Polished Silver paint that creates a floating appearance. Its painted interior offers ample storage for entertaining essentials, with adjustable shelves and elegant, finger-pull drawers behind the center doors.
