RISING HOPE CONSOLE

cla-423-441

COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 60W x 18D x 32H

Inspired by the organic beauty found in nature, this one-of-a-kind console mimics the materials and aesthetic of our Glimmer of Hope chair. Artfully emulating branches of coral reaching up toward the light, its asymmetrical, cast brass frame is topped in a luxurious white rhino marble and intricately finished in Brushed Gold with a white enamel inlay. With a sense of hope and modern opulence, it makes an unforgettable impression in living rooms, halls and entryways.
