COLLECTION: CARACOLE CLASSIC

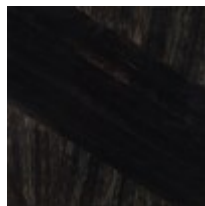

DIMENSIONS: 75W x 19D x 32H

Artful and alluring, this media console adds depth and dimension in an innovative mix of textures and materials. Striking door fronts are inspired by a time-honored art form that involves intricately piecing straw that has been flattened, dyed, and lacquered to create an abstract or geometric pattern. A Cosmos Black finish lends a reflective appearance, complemented by a Shanxi Black stone top adorned with metal beading in Brushed Gold paint. Inset labradorite door pulls lend a luxe finishing touch. Offers ample storage potential with wire management access.
