SPARKLER

con-acctab-026

COLLECTION: CARACOLE CLASSIC

DIMENSIONS: 13.75 dia x 20.5H

What's not to love about the sophisticated combination of Gold Bullion and acrylic? Give a room an instant boost with this luxurious of-the-moment accent table. Not to be missed is this table's intricately designed

top, made from acrylic layers over a gold leaf base. Swarovski crystals suspended within layers appear to be floating over the gold leaf background. Simply stunning! The table's base is made from stainless steel and finished in a soft Gold Bullion. For unexpected glamour, try a pair of Sparklers in lieu of a traditional cocktail table in an intimate seating area. A little sparkle makes any room come alive!
