This closed storage console has mesmerizing brilliance. The Italian mirrored door fronts have been fumed in whirls of smoke intertwined with shimmering gold for a dazzling display. Elegant, arabesque-shaped bronze grills frame the mirrors and hold them into a unique, dry walnut-Amaretto case. The piece rests on a bronze base that sits atop four delicately-tapered legs that are intertwined with curving bronze rails. Special interior touches include silver storage and an adjustable shelf for dishes or fine linens. Smoke And Mirrors will quickly work its magic in your dining room or as an elegant hall chest.
