LOOKING GLASS

con-mirror-005

COLLECTION: Caracole Classic

DIMENSIONS: 38W x 2.75D x 38H

The first mirrors from England were known as looking glasses. This 38-inch octagonal mirror is a real looker! Each piece of mirror is beveled to add extra sparkle as it catches more light and reflection. The outside band is a custom antiqued mirror and has a warm gold fleck in it where you typically see a cooler gray. The interior mirror is clear, making it all the easier to see your gorgeous reflection!
