Create a fresh, modern attitude in your home by bringing in a new geometric shape. Oval is all the rage! A Bright Idea is a small-scale, cleverly designed oval table that would make a wistful petite nightstand or a swoon-worthy side table between two chairs. Finished in our pretty Pearl with Oracle silver leaf highlighting the oval shape of the top. It has a glass top affording a view into its chicly illuminated open interior. A soft light is cast upwards through the table's lower shelf which is a stunning piece of stacked white glass.
