Drop dead gorgeous and a favorite with our entire design team. There's a hint of iridescence in this fabric upholstered headboard design – the mere finishing touch for a dramatic bed that will rise and shine in any bedroom. The fashion-forward frame's unique, contemporized trellis pattern is over-scaled and set off by a rich Taupe Paint finish. This standout combination of white and taupe will look beautiful paired with a variety of wood finishes or metallic elements on other furnishings, for creating the fairest room of all.
