COLLECTION: MODERN UPTOWN

DIMENSIONS: 26W x 26D x 16H

This charming, deeply scalloped cocktail table is designed to be grouped with two or three of its kind. Its round, Heathered Oak exterior with a modern dry sheen is accentuated by metal detailing that runs down the rib of each scallop. The piece has hidden doors that open to generous storage. This is a whimsical silhouette to add variety and striking style to a seating group.
