ROLLING STONE CONSOLE TABLE

m011-016-441

COLLECTION: MODERN UPTOWN

DIMENSIONS: 66W x 14D x 29H

This sleek console's present-day appearance is the result of a long slab of Silver Travertine that graces its top. The veins of this stone give off a natural wood-like appearance. The travertine is paired with a Jazzy Taupe metal base that has an architectural, grill-like frame. For a loft that is filled with leather and wood, this piece provides a nice counterpoint in style.
