MODERNE COCKTAIL TABLE

m021-417-404

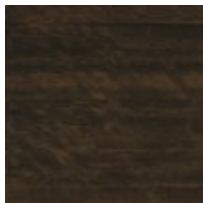

COLLECTION: MODERN STREAMLINE

DIMENSIONS: 62W x 22D x 19H

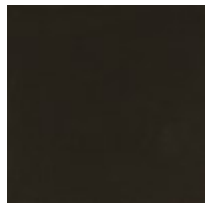

This will be the "it" cocktail table when it's time to step up to fresh modern design. Two cantilevered pieces of fumed figured eucalyptus wood, finished to a high sheen in Aged Bourbon, come together to make an offset, dual-layered top. The eucalyptus-paneled sides provide sturdiness. At the base of this rectilinear table is an additional storage shelf finished in Dark Chocolate.
