STREAMLINE CREDENZA

m022-417-211

COLLECTION: MODERN STREAMLINE

DIMENSIONS: 68W x 18.75D x 35H

This modern interpretation on a retro credenza is just the ticket. Generously sized, the case has a sleek, commanding presence with its fumed figured eucalyptus exterior that is finished in Aged Bourbon with a high sheen. The interior is finished in a silky Dark Chocolate paint. Behind the center doors is a large tray drawer with a silver storage insert and one adjustable shelf. At each end are storage areas, each with two adjustable shelves. Contemporized bracket feet complete the piece.
