A definitive tastemaker, this exceptional sofa has all the right stuff. Its simple silhouette is accentuated by a stainless-steel and tungsten-plated frame with a two-tone finish. This innovative design gives the sofa a suspended look and creates a light and airy visual. Tailored in a palette of moonlight silver with hints of metallic, its body fabric has a subtle menswear look. Accent pillows in a shimmering diamond geometric pattern add a subtle layer of luxe texture while maintaining its artful appeal.
