LA MODA MEDIA CONSOLE

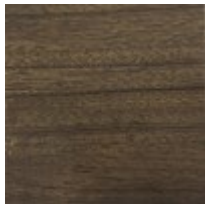

m131-421-531

COLLECTION: LA MODA

DIMENSIONS: 98W x 17.75D x 22H

Softening the line between art and design, this media console blends Italian modernism with organic expression. The linear wood grain of Paldoa veneers punctuate its architectural vibe, warmly accentuated by a Sepia finish and the glow of frosted bronze mirror. Multifunctional with a mix of open and closed storage space, it's thoughtfully designed with two soft-close drawers, adjustable shelves, and cutouts on the back for wire management. Makes a memorable first impression in any interior, from living rooms to halls and entryways.
