LA MODA DRESSER

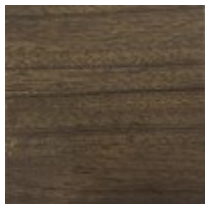

m133-421-011

COLLECTION: LA MODA

DIMENSIONS: 72W x 19D x 35.5H

Bold lines and bronze mirror define this architecturally inspired dresser. Dramatic, yet unpretentious in a modest mix of materials, its sleek design lends a contemporary vibe that seamlessly aligns with other pieces from our collection. Grooved metal pulls add a surprise tactile experience, coolly complemented by drawer interiors in Soft Silver paint. A floating jewelry tray in the top left drawer keeps watches, spectacles, and cufflinks neatly tucked away and still within close reach.
