UNITY CREDENZA

COLLECTION: MODERN PRINCIPLES

DIMENSIONS: 78W x 18D x 34H

With a subtle contrast of light tones and textures, the Unity Credenza introduces an elegant modern aesthetic to living, dining, and home office interiors. Its clean-lined form is quietly accentuated by a Sun Drenched Oak finish and rounded bevel, framing soft-close doors wrapped in vinyl. Lucent Bronze metal trim adds warmth and a hint of shimmer. Completing this calming collective of materials and finishes: an Almost White-painted interior with adjustable shelves for versatile, tucked-away storage.
