THE PARISIAN CHAIR

sgu-416-131-a

COLLECTION: Signature Debut

DIMENSIONS: 27.25W x 30D x 37.25H

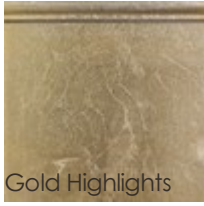

Borrowing from fauteuil à la reine designs of the past, The Parisian Chair exhibits the structure of classic open armchairs that were preferred by royalty at the time of Louis XIV. With a nod to the past, our chair has been contemporized with a graciously carved frame dipped in a Satin Ebony finish and hand-detailed with Gold Highlights to bring out the curvaceousness of the frame. Its high back and cushioned seat and arms exhibit a rich buff-colored velvet. Gloriously comfortable, yet highly sophisticated, this piece is royal indeed.
