THE SIMPATICO NIGHTSTAND

sig-017-062

COLLECTION: Signature Simpatico

DIMENSIONS: 34W x 18D x 29.5H

Drawing inspiration from sinuous Italian silhouettes from the mid-century, The Simpatico Nightstand is crafted from select, highly-figured, eucalyptus veneers finished in our rich, high-sheen Nightfall. Unfettered by extraneous hardware, its sleek lines and dark presence are further enhanced by a bead of Deep Bronze metal that encircles its top. A sculptural base molded from stainless steel is plated in Deep Bronze and the chest rests atop refined, trapezoidal feet. A luxury detail, this piece is finished on all four sides making it an ideal choice for floating in a room. Drawer interiors are fully upholstered in luscious champagne hued velvet. Available in two widths, 34 inches and 40 inches.

FINISH:

Nightfall

Deep Bronze
