COLLECTION: Signature Simpatico

DIMENSIONS: 21 W x 25 D x 37 H

The Urbane Dining Side Chair is a stylish reinterpretation of the ever-classic Klismos chair, a popular chair style that dates back to Egyptian times. Ours is dressed up for high-style entertaining in timelessly chic black and ivory. Offering the elegance of a tuxedo, its comfortably curving wooden back is finished in Satin Ebony while the inside back and seat are elegantly upholstered in a shimmering basketweave fabric in a lustrous Moonstone hue. Majestic Gold frames the base of the chair and thin, contemporary tapered gold legs dress it up for high-style entertaining.
