sig-017-284

COLLECTION: Signature Simpatico

DIMENSIONS: 21W x 25D x 37H

The Urbane Dining Side Chair is a stylish reinterpretation of the ever-classic Klismos chair, a popular chair style that dates back to Egyptian times. Ours is dressed up for high-style entertaining in timelessly chic black and ivory. Offering the

elegance of a tuxedo, its comfortably curving wooden back is finished in Satin Ebony while the inside back and seat are elegantly upholstered in a shimmering basketweave fabric in a lustrous Moonstone hue. Deep Bronze frames the base of the chair and thin, contemporary tapered bronze legs dress it up for high-style entertaining.
