THE NATURALIST ENTERTAINMENT CONSOLE

sig-017-531

COLLECTION: Signature Simpatico

DIMENSIONS: 100W x 18D x 28.5H

Bring the outdoors in and create a nature-centric atmosphere in your favorite living space with The Naturalist Entertainment Console. A 100-inch length of clean lines and graceful curves distinguish this exquisite entertainment console's sleek silhouette that is finished in an elegant Piano Black and inset with an awe-inspiring live edge fumed oak veneer that completely wraps the face and sides of the entertainment console. Adjustable shelves are available behind four soft-closing doors. Electronic cord access is available. Featuring a thin bead of Deep Bronze and positioned on sleek trapezoidal feet, this is a signature piece for your collection.
