## LA PETITE ROSE

sig-021-041
COLLECTION: Signature Metropolitan
DIMENSIONS: $39.75 \mathrm{~W} \times 2 \mathrm{D} \times 39.5 \mathrm{H}$
Designed to be admired, this artisanal-style wall mirror eloquently captures the intricate beauty of a rose in bloom. For added depth and reflection, layers of mirror overlap one another to emulate a whorl of shapely rose petals. Well-sized to hang over a dresser or buffet or use it to make a grand entrance in a hall or entryway.
